and protection

Security+Plus[®]

Security+Plus® Electric Vehicle (EV) Service Contracts

Maximize Your EV's Long-Term Coverage

Protect your EV beyond your factory warranty — up to 8 years / 120k miles.

Enhanced Protection with Gold Preferred

With **Gold Preferred**, virtually all major systems of your EV are covered.^{1,2}

In fact, the **Gold Preferred** plan offers exclusionary coverage, the best service contract coverage level available in the marketplace.

Silver Preferred plans cover the repair cost for mechanical breakdown of the parts listed on the service contract.

A **CPO Wrap Upgrade** plan elevates the Certified Pre-Owned Limited Warranty coverage to match Gold Preferred, adding key vehicle systems, 1,800+ components and eliminating the \$100 per visit deductible.

Protection On the Road

Nearly 50% of all Roadside Assistance calls are due to non-mechanical issues.

Convenient & Economical Terms

Security+Plus delivers peace-of-mind protection against repair cost inflation and mechanical breakdown after the new vehicle Factory Limited Warranty (3 years / 36,000 miles) expires. Our contract terms & options provide you with an unparalleled value, right now.

New EV Plans

You can purchase anytime up to 3 years / 36,000 miles from the original in-service date and 0 miles on the odometer, which is when coverage begins.

Pre-Owned EV Plans

You can purchase anytime. Coverage begins on purchase date and miles on the odometer when the contract is purchased.

EV CPO Wrap Upgrade

The EV CPO Wrap Upgrade can be sold when you buy your EV CPO or within 90 days after.

¹There is only a small list of excluded parts, consisting of but not limited to: Regular Maintenance, Cosmetic items, and Physical Damage. For complete information concerning components covered and those components which are excluded from coverage, please refer to the Security+Plus Vehicle Service Contract or contact your local Nissan dealer.

²Any and all High Voltage Electric Battery cells / modules and sensors are excluded from coverage.

³Nissan EVs do not have a spare tire. Should your tire become inoperable, your vehicle will be towed to the nearest facility for tire repair.

⁴Tow-to location at the sole discretion of Security+Plus. Restrictions apply.

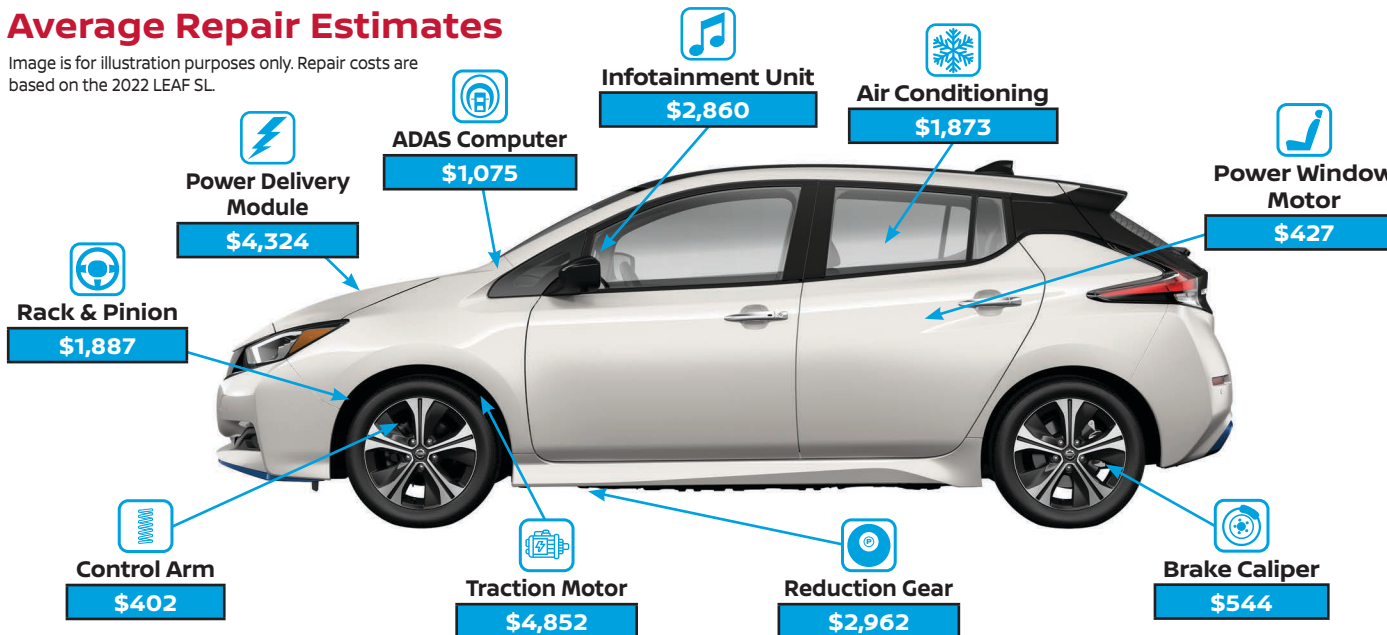

Essential Coverage Included with All Plans

Security+Plus Vehicle Service Contracts for Nissan EV include coverage of:

 Powertrain Primary components, including Electric Motor, Inverter and Reducer ²	 Brakes Master cylinder, Anti-lock Braking System (ABS) and other primary components
 Transmission (Reduction Gear) Primary internal and external components for EV transmission	 Electrical Primary electrical components, including wiring harness repairs
 Drive Axle Primary internal and external components	 Body & Interior Primary body and interior components, most assemblies, switches and relays
 Steering & Suspension Primary internal and external components	 Air Conditioner/Heater Primary internal and external parts, including compressor, clutch pulley, seals and valves
 Advanced Driver Assistance Systems Intelligent cruise control, cameras & sonars, tire pressure & blind spot monitoring, lane change warning	 Infotainment Coverage for up to 69 audio, video and navigation components

Average Repair Estimates

Image is for illustration purposes only. Repair costs are based on the 2022 LEAF SL.

Benefits Start Immediately

-  **Emergency Roadside Assistance**
24 hours a day, 365 days a year:
 - Emergency services include flat bed towing to nearest vehicle charging or tire repair facility⁴, and lock out assistance.
 - “Sign and Drive” lets you sign the service order and continue on your way, with no out-of-pocket cost to you, up to a maximum of \$100 per claim. Deductibles do not apply.

-  **Enhanced Towing Benefits**
Security+Plus Vehicle Service Contracts offer enhanced towing⁴ for Nissan EV owners via flatbed tow-truck to either: your home for charging; an independent charging facility; or an authorized Nissan Certified Electric Vehicle dealership for charging or repair of a covered mechanical breakdown.

-  **Trip Interruption Reimbursement**
Reimburses you for meals, lodging and alternative transportation up to \$500, any time your vehicle is disabled due to a mechanical breakdown caused by a covered component and you are more than 100 miles from home.

-  **Car Rental Assistance**
Reimbursement for actual expenses for substitute transportation up to \$42/day, to a maximum of five (5) days, and \$210 per breakdown.

**Nissan has the largest
workforce of EV Trained
Technicians & over 900 EV
Certified Dealers covering
90% of the EV marketplace**

EV Certified Dealer

Service You Can Trust
